Sound Espresso online competition is where musicians present their talent, practice, and individuality.

It is an opportunity to engage with audiences and the world in a present day technical environment, to be reviewed and guided by respected judges from around the world.

Sound Espresso is bringing the future of the music industry to the artists, educators, and audiences of today.

Founded and managed by professional musicians, SEC aims to empower artists of every instrument and all walks of life. Sound Espresso gives an opportunity for the contestants to present themselves to a supportive panel of established veterans in the field.
